WILLOW WALK
AT OAKRIDGE

EXCLUSIVE
PREVIEW PACKAGE

Willow Walk is a collection of twenty 1- and 2-bedroom urban garden homes and 3-bedroom townhomes in Vancouver's prestigious West Side. Nestled within a lush and peaceful natural landscape, these spacious homes are just moments from the contemporary shops, restaurants, and lifestyle amenities that define the neighbourhood, continually solidifying its status as one of Vancouver's very best.

NESTLED IN THE TREE LINED OAKRIDGE
NEIGHBOURHOOD, WILLOW WALK IS JUST
MOMENTS FROM MODERN CONVENIENCES

W 39TH AVE

WILLOW ST

Only four blocks away, the built form of Oakridge Park is reaching new heights, and will soon feature hundreds of retailers, world-renowned dining experiences, an expansive cultural and lifestyle hub, and creative office space set to redefine the future of work.

And that's not all. The master-planned Heather Lands development is underway, and when complete will showcase over 130,000 square feet of amenities designed for balanced, purposeful living.

The re-envisioned Jewish Community Centre is only a 9-minute walk away, and will include lifestyle amenities such as a 450-seat theater, aquatic and fitness centre, arts and culture spaces, and an expanded childcare facility, all to meet the desires of this established west side community.

Walk to nearby nature-immersive destinations including Queen Elizabeth Park, Bloedel Conservatory and VanDusen Botanical Garden. Widely considered a Vancouver destination in itself, Queen Elizabeth Park is perfect whether you're looking to work up a sweat or enjoy a leisurely afternoon out. Practice your par at Pitch & Putt, or meet up with friends at one of the many tennis, lawn bowling, and roller hockey courts. When you want to relax, enjoy an idyllic afternoon in the rose garden, surrounded by fresh air and lush flowers. Bring a blanket to have a picnic or read a book as you take in life's simple pleasures.

WILLOW WALK SETS THE STAGE FOR
SERENE, BLISSFUL LIVING, JUST
MOMENTS FROM HUBS OF ACTIVITY

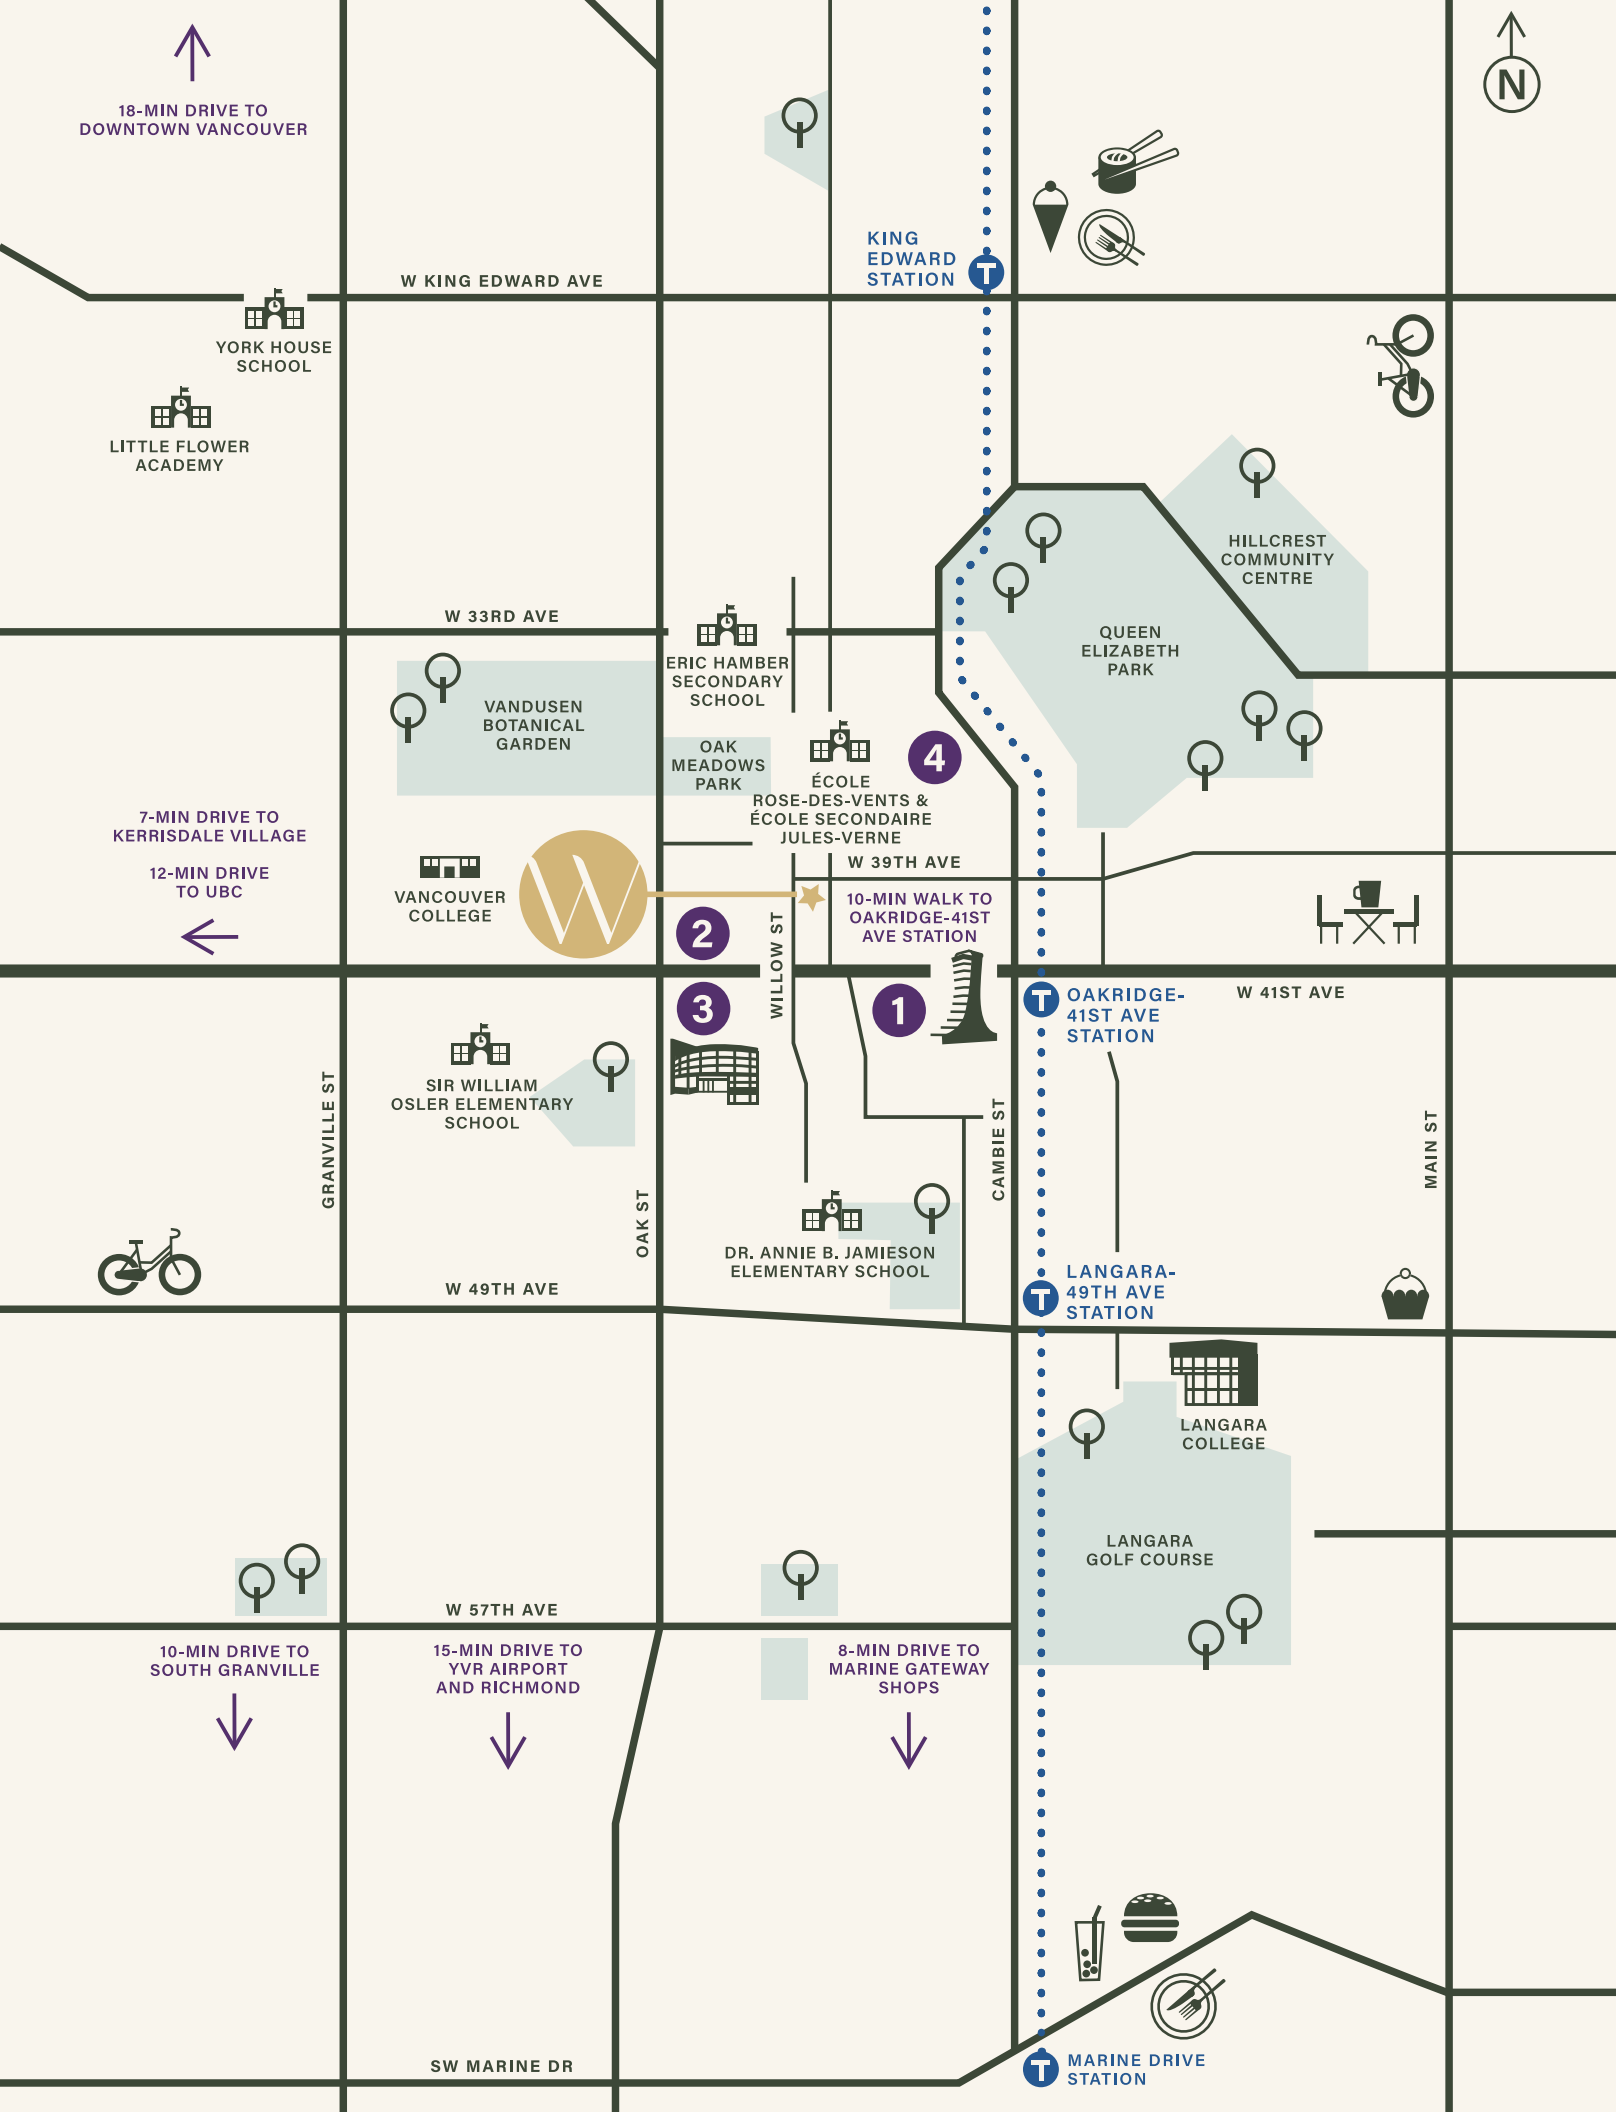

Cambie Village is accessible by foot or bicycle. This eclectic lifestyle hub is complete with boutique shops, local coffee roasters, and farm-to-table eateries. To the West of Willow Walk lies Kerrisdale Village and the Arbutus Greenway, a dedicated cycling path that spans from Kitsilano to South Vancouver.

Every Saturday, browse artisanal wares and shop for fresh produce grown by local farmers at the Riley Park Farmers Market. A staple in the community each summer, the market is the perfect place to support local businesses while connecting with the larger community. And for last minute needs, the Safeway and other amenities at King Edward mall are just a quick journey by foot or car.

URBAN

STANTON DEVELOPMENT

STANTON DEVELOPMENT

As a real estate developer, our philosophy has been to always focus on smaller communities. We do this because we believe communities are only as strong as the connections we create within them. Simply put, we believe that when you have 20 neighbours, quality relationships are forged, there's a sense of belonging, which creates stronger, healthier communities.

SMART SOLUTIONS

Enjoy convenience and peace of mind with SmartONE Solutions at Willow Walk.

IN-SUITE WALL PAD

Your smart home is at your fingertips with our in-suite wall pad. This voice and touch-enabled display allows you to easily interact with your suite and community. Adjust your thermostat, view visitors and grant them access, view designated community cameras, and receive community messaging and notifications.

- Residents can use live one-way video to view visitors & grant them access
- View designated community cameras & capture suspicious activities by taking pictures of camera feeds from different locations that can be viewed in a stored log
- Monitor, manage, & control suite temperature by adjusting the thermostat control
- Can set Stay or Away mode for enhanced suite security
- Create & set scenes for different modes, such as Morning & Evening, by controlling your suite temperature, lights, and blinds
- Receive community messages & notifications
- Receive suite security, smoke and flood alarms to the wall pad and ONE! App

DIGITAL DOOR LOCK

Easily access your suite using your smartphone app or a unique passcode. Allow your guests to come and go by providing them secure access.

- Can be opened by programmable codes, FOBs, and smartphones
- Secure access can be given to family and friends, or services such as cleaners, dog walkers, etc.
- Residents can mask their passcodes with an exclusive security feature that ensures their code is safe and not easily memorized

DOOR CONTACT

Experience enhanced security with our suite entry door contacts – promptly detecting any unauthorized entry, ensuring you feel safe and protected in your new home.

- Set the suite security mode using the wall pad or the mobile App, offering flexible options for Stay or Away mode
- Enjoy enhanced suite security with the door contacts, promptly detecting any unauthorized entry and activating the suite alarm

DOORBELL CAMERA

Enjoy peace of mind knowing your suite includes a self-monitored security system. Use your wall pad or smartphone to see who's outside your door and receive notifications when there is activity at your door.

CCTV

Enjoy peace of mind knowing your suite includes a self-monitored security system. View designated community cameras using your wall pad or smartphone and take pictures of suspicious activity.

- Suspicious activity can be captured and logged by residents on their in-suite wall pad or mobile app, creating a digital community watch
- Community cameras can show visitor parking areas, car charging stations, car wash bay, or other areas of the community that will enhance security

SMART LIGHT SWITCH

Your suite includes one smart light switch for convenient lighting control of your smart home.

- Replaces traditional single-pole wall switches and fits in a standard single-gang wall box
- Connects to our in-suite wall pad wirelessly
- Can be upgraded at any time
- A resident can easily integrate SmartONE compatible Zigbee devices with the SmartONE wall pad

FLOOD SENSOR

Your suite is equipped with an integrated flood sensor that will alert your smartphone, wall pad, and building concierge in case of an emergency.
